

Class 2 Curriculum Map (Cycle B)

Spring Term 2

Predators

English Class Text- "The Butterfly Lion" by Michael Morpugo

We follow the life of a young boy named Bertie as he befriends a furry friend. We go on an emotional rollercoaster as we follow Bertie's adventures.

From the text, we gain inspiration to write biographies, fact files and letters.

In grammar, we will be exploring determiners, creating settings and developing settings.

PSHE- Rights and Responsibilities

This half term, we will be exploring our theme through role-play and guided discussions and we will be exploring what responsibilities we have.

Science

We will be studying living things and their habitats. We will be grouping living things in a variety of ways including vertebrate/invertebrate.

History

We will be researching David Attenborough, finding out about his career and findings. We will be placing events on timelines chronologically, using vocabulary of time passing.

Geography

We will be exploring the features of Africa, identifying where it is compared to the United Kingdom.

RE- Worship and sacred places

We will be investigating how and where people worship.

PE

On Wednesdays, we will be going swimming at Retford Leisure Centre. On Fridays, PE will be taught by KIXX.

Art

In Art, we will be exploring artwork by Andy Goldsworthy and we will be creating our own sculptures.

French

Our topic will be 'Habitats' using Language Angels.

Music

We will be learning and performing songs for the Easter service, working on musical terminology linked to dynamics.

Maths

<u>Y3</u>	<u>Y4</u>
Unit and non-unit fractions.	Non-unit and unit fractions.
Counting up and down in tenths.	Decimal equivalents to fractions of tenths and hundredths.
Mass and capacity	Count up and down in hundredths.
