

The framework in Early Years is structured very differently to the national curriculum. Rather than subject areas, it is split into seven areas of learning; Communication and Language; Personal, Social and Emotional Development; Physical Development; Literacy; Mathematics; Understanding the World; Expressive arts and Design.

This document demonstrates which statements from the 2020 Development Matters match the National Curriculum programme of study for Music. The most relevant statements have been taken from the Early Learning Goals in the EYFS statutory framework (the ELG's are the expectations for children's learning and development for the end of the EYFS) and the Development Matters age ranges for Three and Four-Year-Olds (for our Nursery children) and Reception.

The most relevant statements for Music have been found and taken from the following areas of learning:

- Communication and Language
- Physical Development
- Expressive Arts and Design
